Chairman Raul Grijalva and Ranking Member Rob Bishop,

I am writing in support of HR1049, the 2019 National Heritage Act. My family descended from Mormon pioneers and have owned businesses in Sanpete County for over 30 years. In addition to my roofing and construction business, I have nurtured an interest in Mormon pioneer heritage, especially as it pertains to historic buildings on Mt. Pleasant's Main Street, which is listed on the National Register of Historic Places. I wrote a series of articles titled, "Destination Main Street" to highlight the significance of our pioneer buildings and the businesses that occupied them for over a century. I greatly appreciate what the MPNHA has done to enter into private/public partnerships to provide funding for restoration.

Your support of HR1049 is greatly appreciated.

Sincerely,
