House Committee on Natural Resources
1324 Longworth House Office Building
Washington, D.C. 20515

Chairman Grijalva and Representative Bishop,

I am writing from Manti, Utah to express my support for HR 1049, the 2019 National Heritage Area Act.

The Mormon Pioneer National Heritage Area plays an essential role in the preservation of historic resources in our City. Since its designation in 2006, the national heritage area has helped to preserve many historic treasures in our community, including the following:

- Historic Manti City Hall
- Manti Carnegie Library
- Sanpete County Fairgrounds
- Manti Senior Citizens Center
- American Legion Hall
- Pioneer Heritage Park
- Maintenance of off-road trails.

Please support HR 1049 to help the Heritage Area continue historic preservation in Utah.

Thank You,

Kent Barton
Manti City Manager
