Chairman Raul Grijalva and Ranking Member Rob Bishop,

My name is Sandra Bigler. I am a descendant of Mormon pioneers who settled Mt. Pleasant in 1859. I have spent my entire life in this community where I served as a mayor and city council member for 20 years.

During my terms as a council member and mayor, I continued to be amazed as I watched the development of the Mormon Pioneer National Heritage Area. It grew from the Mt. Pleasant Main Street Program that started in 1994 to the dynamic National Heritage Area it is today. I have never seen an organization that operates as efficiently and effectively as the MPNHA. They are incredible fund raisers and creative thinkers.

Please help this wonderful organization continue its mission by supporting HR1049.

Sincerely,

Sandra Bigler
Former Mayor and City Council Member
Mt. Pleasant City

P.S. I now serve as the sexton of our cemetery where I keep watch over 10,000 people, including my pioneer forebearers.
